## **EMPLOYMENT RELATED TO PSYCHOLOGY**

---

**10/2023- Present**

**Charleston Neuropsychology**

1459 Stuart Engals Blvd., Suite 204-A  
Mount Pleasant, SC 29464  
843-849-9913  
843-881-6878 (fax)  
<https://www.charlestonneuropsychology.com>

I provide psychological evaluations through psychometrics to address clarification in attention deficit/hyperactivity disorder (AD/HD), autism, PTSD, psychotic, and mood disorders. I interviewed the candidates, interpret and supervise psychometric batteries that might include but not limited to: personal history questionnaire, Autism Diagnostic Observation Schedule, Second Edition (ADOS-2), Paced Auditory Serial Addition Task (PASAT), Stroop Color/Word Test, Conners Continuous Performance Test – 3, Ruff 2 & 7 Test, Test of Memory Malingering (TOMM), Personality Assessment Inventory (PAI), Wechsler Adult Intelligence Scale-Fourth Edition (WAIS-IV) (scored on computer) Wechsler Abbreviated Scale of Intelligence - Second Edition (WASI-II), Wechsler Intelligence Scale for Children-Fourth Edition (WISC-V), Woodcock-Johnson Tests of Cognitive Abilities - IV (scored wjscore.com), Trail Making Test Parts A and B, Finger Tapping Test, Boston Naming Test (BNT) Inventories, NESPY - II (scoring program on computer), Barkley Deficits of Executive Functioning Scale (BDEFS) - there is a version for adults (ages 18+) and a separate version (Barkley Deficits of Executive Functioning Scale - Child & Adolescent (BDEFS-CA) that are completed by the parent), MMPI-2, MMPI-2RF, MMPI-3, MCMI-IV, MBMD, SCL-90-R, MMPI-A, MMPI-A-RF, 16PF, WISC-V, WRAT5. Finally, I write a psychological evaluation with diagnosis and recommendations for treatments.

**09/2021- Present**

**Behavioral Health Consultant/Contractor**

**Joint Base Air Force – Charleston (via Magnus/ Integrative Therapy, Inc.)**

628<sup>th</sup> Medical Group-HCOS  
Bldg. 364-Office 1095  
204 West Hill Blvd  
JB Charleston, SC 29404  
843.963.6539  
[raphael.romero2.ctr@health.mil](mailto:raphael.romero2.ctr@health.mil)

I provide focused evidence-based assessment and intervention (primarily cognitive, behavioral, motivational, and acceptance-based approaches) in primary care under the Primary Care Behavioral Health (PCBH) model of service delivery for a range of problem presentations including but not limited to depression, anxiety, substance misuse, stress, insomnia, pain, obesity, diabetes, tobacco use and behaviors impacting health. Also, I evaluate psychometric evaluations completed by neuropsychological providers in the community to address attention deficit/hyperactivity disorder (AD/HD), autism, dyslexia, learning disabilities, and mood disorders.

**08/2021- Present**

**President/Mental/Behavioral Health Consultant/Contractor  
Integrative Therapy, Inc.**

Mount Pleasant, SC 29466  
854-205-6386  
[info@integrativetherapyinc.com](mailto:info@integrativetherapyinc.com)  
[dr.romero@integrativetherapyinc.com](mailto:dr.romero@integrativetherapyinc.com)  
Nationally and Internationally

Integrative Therapy, Inc, is a corporation designed to provide counseling, consulting, coaching, treatment, and training in any field that involves the wellness of humanity. While based in Mount Pleasant, SC, services can be provided locally, nationally, and internationally. Licensed and unlicensed clinicians will be available to provide services readily and

as governed by their licensing boards or governing entities. Specialty services include trauma treatment, infant mental health, family psychology, psychological evaluations (child and adult) and corporate consulting/coaching.

**06/12/2012- 8/6/2021**

**Clinical Psychologist II/Training Director**  
**Los Angeles County – Department of Mental Health (LAC-DMH)**  
**Enhanced Specialized Foster Care – Service Area 6**  
10421 S. Figueroa Street  
Los Angeles, CA 90003  
(323) 418-4216 – office  
(213) 949-4552 – cell

For 12 years, I trained psychology extern and intern students, who were in a doctorate program and those in a master program in social work or marriage and family therapy, eventually becoming the training director. I trained clinicians in the core practices of informed trauma treatment, which included TF-CBT and EMDR as well as administration and report writing for psychometric evaluations. I also supervised psychologists working toward licensure and provided reflective group supervision. Throughout the year I developed and provided trainings pertaining to the treatment of minorities in cultural competence, sensitivity, and diversity as well as family therapy. The trainings included ethical and legal issues with children in dependency, Hispanic and African American treatment, the culture of poverty, and mental health treatment with gay, lesbian, bisexual, and transgender population.

As the training director, I oversaw the training program as the clinical training director. I oversaw the selection and process of psychology externs and interns into our training program. I provided leadership in the development of the training schedule for three sites in the training program, which included Specialized Foster Care in Service Area Six (SFC-SA 6), Augustus F. Hawkins Family Focus Mental Health Clinic's, (AFHFFMHC) adult program as well as the Women's Community Reintegration Services & Education Center (WCRSEC). The training program provide specialty training tracks in pediatric psychology with an emphasis in 0-5, adult neuropsychology assessment, adult treatment and assessment, and women's concentration.

My other responsibilities included supervising and training clinicians in Parent-Child Interaction Therapy (PCIT) from Specialized Foster Care and from Augustus F. Hawkins Family Focused Mental Health Clinic (AFHFFMHC). Also, I processed the clinicians through the Department of Health Services (DHS) – Martin Luther King Pediatric (MLK-P) HUB as the treatment was done within the HUB. In eight years, I built a strong collaborative with DHS that maintained the sustainability of PCIT in the community as well as increased PCIT being provided to more consumers.

Last, I provided counseling and evaluations for minors and families that were involved with the foster care system or the Department of Children and Family Services (DCFS). Furthermore, I provided individual, couples, and family therapy through different modalities that included Psychodynamic/Client-Centered Therapy, Cognitive Behavioral Therapy (CBT), (TF-CBT), Eye Movement Desensitization and Reprocessing (EMDR), Seeking Safety, Structural Family Therapy and Bowen Family Therapy, Reflective Parenting, Parent Child-Interaction Therapy (PCIT), and Dyadic/Child-Parent Psychotherapy. I am familiar working with a multidisciplinary team as our team includes psychiatrists, social workers, marriage and family therapists, and discharge planners. Also, I interfaced with public/private attorneys, treatment centers, mental health court workers, and families regarding patient care. The level of severity for patients ranged from chronic mental illness, individuals dealing with drug and substance abuse, sexual addictions, gender identity disorders, major depression and anxiety, family psychopathology, suicidality, homicidality, sexual and child abuse issues, and infant mental health.

**06/12/2012- 08/06/2021**  
**After hours**

**Clinical Psychologist II**  
**Los Angeles County – Department of Mental Health (LAC-DMH)**  
**Emergency Outreach and Triage Division – Psychiatric Mobile Response Team**  
**(EOTD/PMRT) Care – Service Area 6**  
1720 East 120<sup>th</sup> St.  
Los Angeles, CA 90059  
(714) 402-6610

As a designee for applications for involuntary psychiatric holds, 5150/5585, I worked after hours conducting evaluations in homes, emergency rooms, shelters, board and care, on the streets, and juvenile centers. I used Violence Threat Risk Assessment (VTRA) to evaluate children and adults from a more comprehensive approach to homicidality. I used the Columbia Suicide Risk Assessment (CSRA) for a more comprehensive approach to evaluate suicidality.

**03/2013 -11/2015**

**Ministerial Assessment Specialist – Bilingual (English and Spanish)**  
**Point Loma Nazarene University (PLNU)**  
**Center for Pastoral Leadership**  
3900 Lomaland Drive  
San Diego, CA 92106  
(626) 755-3622

As an independent contractor, I periodically interpreted and supervised psychometric batteries administered to clergy in the Nazarene Denomination given to monolingual English and monolingual Spanish clergy as part of their ordination process. I interviewed the candidates, interpret and supervise psychometric batteries that include: personal history questionnaire, Personality Assessment Inventory (PAI), Myers-Briggs Temperament Type Indicator (MBTTI), Marital Satisfaction Inventory, Strength Finder Inventory, Ministerial Effectiveness 360 Inventories, Inventory of Altered Self-Capacities (IASC) and the NEO Personality Inventory (NEO-PI). I facilitated small group initiatives and observe social dynamics. Finally, I wrote a psychological evaluation with recommendations for ordination or alternatives to ordination that may include seeking treatment or terminating ordination.

**08/2011- 06/2012**

**Multidisciplinary Assessment Team (MAT) Coordinator/Clinical Psychologist II**  
**Los Angeles County – Department of Mental Health (LAC-DMH)**  
**TIES for Families**  
21081 S. Western., Suite 295  
Torrance, CA 90501  
(310) 533-6603

My responsibilities included providing culturally-competent, comprehensive psychosocial strength-based assessments of children and family needs as requested by the courts when children became involved with the Department of Children and Family Services (DCFS), particularly those from birth to age 5. I provided psychological, developmental or psycho-educational assessments as needed. I produced a timely written report of assessment findings and recommendations for the court and facilitate linkages to services. I interfaced with DMH, DCFS, Department of Health Services (DHS), schools, Regional Center (RC) or other agencies to gather information and provide referrals. I attended DCFS Summary of Findings (SOF) and Team Decision-Making (TDM) meetings. Also, I provided direct service, including individual, family and group therapy, case management, and consultation. The modalities of treatment that I used were Client-Centered Therapy, Reflective Parenting, Evidence Based Practices, and Dialectical Behavioral Therapy. The level of severity of patients ranged from chronic illness, individuals dealing with drug and substance abuse, sexual addictions, gender identity disorders, major depression and anxiety, family psychopathology, suicidality, homicidality, and sexual and child abuse issues to infant mental health. I also provided coordination and training for psychology externs in the child psychology rotation with Harbor-UCLA's psychology training program. I also provided trainings to staff and students in the areas of drug addiction, family systems, and Dialectical Behavioral Therapy.

**11/2010- 08/2011**

**Clinical Psychologist II**  
**Los Angeles County – Department of Mental Health (LAC-DMH)**  
**Juvenile Justice Mental Health Programs – Dorothy Kirby Center**  
1500 S. McDonnell St.  
Commerce, CA 90040  
(323) 981-4301

My responsibilities included providing counseling to adjudicated minors in a day treatment intensive. I provide individual, family and group counseling with the use of Client-Centered Therapy, Cognitive Behavioral Therapy, Raphael Romero, Psy.D., ABPP

Evidence Based Practices, and Dialectical Behavioral Therapy. I also developed group modules. I worked with a multidisciplinary team as our team includes psychiatrists, social workers, discharge planners, and probation officers. Also, I interfaced with full service partnerships (FSP) representatives, public/private attorneys, children social workers, treatment centers, mental health court workers, AB 3632 clinicians, and families regarding patient care. The level of severity of patients ranged from chronic mental illness, individuals dealing with drug and substance abuse, sexual addictions, gender identity disorders, major depression and anxiety, family psychopathology, suicidality, homicidality, and sexual to child abuse issues.

**04/2009- 06/2011**

**Blinded Psychometric Rater/Blinded Clinical Assessor Bilingual  
Integrated Medical and Behavioral Associates  
Davtian M.D. Medical Services INC  
222 W. Eulalia St., Suite 301  
Glendale, CA 91204  
(818) 240-0108**

I worked as a bilingual (Spanish/English) blinded psychometric rater and blinded clinical assessor. I tested patients in a multicenter, randomized, double-blind, placebo-controlled, parallel group, out-patient study in male and female subjects aged 50 to <89 years with mild to moderated Alzheimer's disease who are Apolipoprotein E4 Non-carriers. I administered the Disability Assessment for Dementia (DAD), Clinical Dementia Rating scale (CDR), Alzheimer's disease Assessment Scale – Cognitive Behavior (ADAS-Cog), Neuropsychiatric Inventory (NPI), Neuropsychological Test Battery (NTB), and a Mini-Mental State Examination (MMSE).

**08/29/2008- 11/2010**

**Clinical Psychologist II  
Los Angeles County – Department of Health Services (LAC-DHS)  
Jail Mental Health Services – Twin Towers Correctional Facility  
450 Bauchet St  
Los Angeles, CA 90012  
(213) 473-1730**

My responsibilities included intake assessments, psychometric assessments, outpatient psychotherapy – individual and group – to adult males using Client-Centered Therapy, Cognitive Behavioral Therapy, and Evidence Based Practices. I periodically worked with Misdemeanor Incompetent to Stand Trial (MIST) patients. I worked with a multidisciplinary team as our team included psychiatrists, social workers, discharge planners, nurses, and full-service partnerships representatives. Also, I interfaced with parole officers, public/private attorneys, treatment centers, mental health court workers, and families regarding patient care. Apart from my responsibilities on our team, many times I covered for my team leader's responsibilities in his absence and was part of the quality assurance team at the jail. I also trained psychology practicum and intern students in a psychology doctorate program. Throughout the year I provided didactics pertaining to the treatment of the mentally incarcerated. The didactics included psychotic disorders, mood disorders, substance and alcohol abuse, group therapy, malingering and cultural competency with ethnic minorities. Periodically I lectured throughout the DMH on treatment with Latino population in the United States and cultural diversity. The level of severity of patients ranged from chronic illness, individuals dealing with drug and substance abuse, sexual addictions, gender identity disorders, major depression and anxiety, family psychopathology, suicidality, homicidality, and sexual to child abuse issues.

**09/10/2007- 08/25/2008**

**Clinical Psychology Internship  
Los Angeles County – Department of Mental Health (LAC-DMH)  
Augustus F. Hawkins Family Focused Mental Health Clinic (AFHFFMHC)/Twin  
Towers Correctional Facility (TTCF)/Women's Community Reintegration Services  
& Education Center (WCRSEC) – Jail Mental Health Services  
1720 East 120<sup>th</sup> St.  
Los Angeles, CA 90059  
(310) 668-8278**

I provided intake assessments, disability assessments, psychometric assessments, family assessments, and outpatient psychotherapy – individual, family, and group – to consumers from infancy to 85 years old. The level of severity included chronic illness, individuals dealing with drug and substance abuse, sexual addictions, gender identity disorders, major depression and anxiety, schizophrenia, family psychopathology, suicidality, and sexual and child abuse issues. Also, I worked one day a week in the Urgent Care Center (Triage) with walk-ins with mental illness, which ranged from indigents to higher economic populations. As well, I rotated two days a week in a minimum-security men’s jail conducting diagnostic assessments for appropriate mental health services at the Los Angeles County Twin Towers Correctional Facility (TTCF). I also conducted intakes and led group therapy in the women’s reintegration program for women released from Century Regional Detention Facility (CRDF). I received per week, two hours of individual supervision, two hours of group supervision, and one day of didactic trainings.

**02/2006- 08/2007**

**Psychological Assistant/Therapist  
The Whole Child (Formerly Inter-community Child Guidance Center)**

10155 Colima Road  
Whittier, CA 90603  
(562) 692-0383

*A Los Angeles County Department Mental Health-certified, non-profit organization that provides various levels of intensive day treatment programs and outpatient mental health services for children from the foster care system and general population.*

I provided clinical counseling to 20 clients as well as short term therapy for crisis clients and taught parenting classes to court ordered families as well volunteered parents. Clients were children from, particularly those in birth to age 5, who had severe emotional disturbances and were primarily from a low social economic status and Latino. The level of severity ranged from suicidal and homicidal ideation and attempts, schizophrenia, major depression and anxiety, self-injurious behaviors, posttraumatic stress disorders, attention deficit disorder, learning disabilities, sexual abuse issues, family dysfunction, conduct disorder, oppositional defiant disorder, and intermittent explosive disorder. I used a multimodal treatment approach that included Gestalt therapy, Play Therapy, Client-Center Therapy, family therapy and Cognitive Behavioral Therapy. Also, I provided psychological testing where it was needed to further evaluate a client. I received individual supervision weekly.

**06/2006- 05/2007**

**Master Level Psychotherapist  
Biola Counseling Center**

12625 La Mirada Blvd., Suite 202  
La Mirada, CA 90638  
(562) 903-4800

I provided intake assessments and outpatient psychotherapy treatment to college-age adults and community clients that included individual, families, couples, and groups. The level of severity included individuals dealing with drug and substance abuse, sexual addictions, gender identity disorders, major depression and anxiety, family psychopathology, and sexual and child abuse issues. There was an anticipated client list of ten clients per week. Sessions were audio-recorded for supervision purposes. I received weekly 1-hour individual supervision and 1-hour of professional service training.

**09/2005- 08/2006**

**Adult Clerkship – Psychometric Evaluations  
Los Angeles County + University of Southern California (LAC+USC)  
Adult Outpatient Psychiatric Clinic**

2020 Zonal Avenue, IRD Bldg.  
Los Angeles, CA 90033  
(323) 226-5345

I provided psychometric evaluations to adult psychiatric outpatients and medically ill inpatients referred for psychological assessment in Spanish and English. I also evaluated individuals with psychotic, affective, anxiety, and cognitive disorders; mental disorders due to substance use or general medical conditions; personality disorders, and psychological trauma. Testing batteries included: interpreting, reporting, and presenting two complete batteries. I received weekly 1-hour individual supervision and 1-hour group supervision. Also, I attended weekly seminars related to trauma, psychological testing administration, posttraumatic stress disorder (PTSD), cross-cultural issues in psychology, and working with mental health services.

**09/2004 – 05/2005**

**Child/Adolescent Clerkship – Children Psychometric Evaluations  
The Whole Child (Formerly Intercommunity Child Guidance Center)**

10155 Colima Road  
Whittier, CA 90603  
(562) 692-0383

*A Los Angeles County Department Mental Health-certified, non-profit organization that provides various levels of intensive day treatment programs and outpatient mental health services for children from the foster care system and general population.*

I provided psychometric evaluations to 0-5 children and school age students from K-12 and some adults, who had special learning and severe emotional disturbances, which were primarily from a low social economic status. I evaluated students' learning disabilities and needs for special education with multi-method and multimodal approaches and worked with therapists in treatment plans. Testing battery included: interpret, report, and present two complete batteries. I received weekly 1-hour individual supervision and 1-hour group supervision.

**09/2004- 05/2005**

**Biola Counseling Center**

12625 La Mirada Blvd., Suite 202  
La Mirada, CA 90638  
(562) 903-4800

I provided intake assessments and outpatient psychotherapy treatment to college-age adults as well as couples from the community. I used psychodynamic therapy for individual therapy, structural and Bowen systems for family therapy and Gottman and Emotion Focused therapy for couple's therapy. Sessions were audio-recorded for supervision purposes. I received weekly 1-hour individual supervision and 1-hour group supervision.

**06/2004- 03/2005**

**Bilingual Certification Coordinator**

**Olive Crest Treatment Centers**

2130 East Fourth St., Suite 200  
Santa Ana, CA 92705  
(714) 543-5437

*A Mental Health Department-certified, non-profit organization that provides various levels of residential treatment programs for children from the foster care system.*

I developed their bilingual (English and Spanish) program to begin recruiting bilingual families for foster children. Also, I translated all their documents into Spanish and started a marketing campaign to bring bilingual foster families in the Los Angeles and Orange Counties of California. Home studies and clinical assessments were done in conjunction with a clinical interviewer and a regional director on the families that were candidates for the foster and adoption services, both for English and Spanish speaking families.

**8/2003- 05/2004**

**Biola Counseling Center**

12625 La Mirada Blvd., Suite 202  
La Mirada, CA 90638  
(562) 903-4800

I utilized Rogerian empathy techniques to provide weekly individual psychotherapy to undergraduate clients in an outpatient university-counseling center. I wrote intake reports. Sessions were videotaped for supervision purposes. I received weekly 2-hour group supervision and 1-hour individual supervision.

**02/1999- 05/2002**

**Service Representative**

**New Life Treatment Centers**

820 W. Spring Creek Parkway

Suite 400A

Plano, TX 75023

Office (469) 241-6700

*Government certified non-profit organization that provides various levels of treatment programs for children, adults and families.*

My responsibilities were answering a 24-hour help line, which included but not restricted to: helping people find counseling in the United States, evaluating new clients, handling suicide callers, paging therapists and on-call counselors, data entry, logging daily activities, faxing contact sheets to the regional clinics, taking resource calls for counseling resources or workshops, scheduling clients for appointments, and transferring calls to the regional clinics.

## TEACHING/ASSISTANT EXPERIENCE

---

**May 2015- July 2015**

**Adjunct Professor  
Pacific Oaks College**  
55 Eureka St.  
Pasadena, CA 91103-3606  
(626) 539-8061

I taught classes in trauma, complex trauma, and attachment that surveyed the field of theory and clinical practice with traumatized children and families. This course introduced the student to developmental trauma, complex traumatic stress disorder, attachment theory and self-regulation. In complex trauma the impact on diverse populations of individuals, and families were addressed. Key features of complex trauma included multiple trauma and/or chronic and prolonged, and developmental trauma disorder. Current assessment and diagnostic challenges and practices with diverse communities were discussed as well as the professional's response to trauma, vicarious traumatization & self-care. In regards to attachment, the cumulative effects of multiple and developmental trauma experiences were examined from the perspective of attachment theory, neurobiology and affect regulation. Also, critically explore the social determinants of trauma manifestation in different cultures the dynamics in followed between early exposures to trauma, the sequel of trauma and the cost to society.

**08/2004- 05/2005**

**Teaching Assistant for Family Psychopathology Course  
Rosemead School of Psychology**  
13800 Biola Ave.  
La Mirada, CA 90638  
(562) 903-4867

I worked as a teaching assistant for the undergraduate family psychology course taught by Dr. Cimborra. Apart from grading papers, I held a one and half-hour lab each week that resulted in students processing issues from class and presenting topics related to genograms, family psychopathology and the current culture's effect on families.

**09/2005- 12/2005**

**Lab Leader for Introduction to Psychology Course  
Rosemead School of Psychology**  
13800 Biola Ave.  
La Mirada, CA 90638  
(562) 903-4867

I led a one-hour discussion lab with undergraduate students on the integration of psychology and theology and graded reaction papers in response to Harold W. Faw's Psychology in Christian Perspective.

**08/2003- 05/2004**

**Teaching Assistant for Theology I Course  
Rosemead School of Psychology**  
13800 Biola Ave.  
La Mirada, CA 90638  
(562) 903-4867

I was a teaching assistant for the graduate theology courses under Dr. Porter, which required grading papers and helped students understand theological concepts.

**02/2004- 05/2004**

**Lab Leader for Introduction to Psychology Course  
Rosemead School of Psychology**  
13800 Biola Ave.  
La Mirada, CA 90638  
(562) 903-4867

I led a one-hour discussion lab with undergraduate students on the integration of psychology and theology and graded reaction papers in response to Harold W. Faw's Psychology in Christian Perspective.

**08/1999- 05/2001**                      **Spiritual Formation Leader**  
**Dallas Theological Seminary**  
**Center for Christian Leadership**  
3909 Swiss Ave  
Dallas, TX 75204  
(800) 992-8998

I led a group of new students through the elements of spiritual formation for two years. I met with them once a week for one and half-hours to discuss the importance of a spiritual life through various assigned readings. Exercises were given every week to help them incorporate in their lives the elements of identity, community, integrity and diversity.

**05/2000- 06/2000**                      **Master of Theology's Cross-cultural Internship**  
**Dallas Theological Seminary**  
**Central American Mission International**  
3909 Swiss Ave  
Dallas, TX 75204  
(800) 992-8998

I spent the summer in Spain, particularly Madrid, providing cross-cultural, individual, and family counseling with Americans living there. Also, I counseled Ecuadorians that were immigrating to Spain. The focus was to understand the cross-cultural effects of living in a different country than your own.

## **RESEARCH EXPERIENCE**

---

**02/01/04- 05/31/04**                      **Research Assistant**  
**Rosemead School of Psychology**  
La Mirada, CA

My research experience was as a research assistant for Dr. David Cimbora at Rosemead School of Psychology, researching psychopathy within a religious undergraduate population. It entailed interviewing various participants using the Hare Psychopathy Checklist: Screening Version. The focus was on the lack of psychopathy within this population and the influence of guilt and shame on the participants. The process included videotaping an interview with patients for one hour and a half. Also, I was required to interview a collateral individual in their families. Once the interviews were completed I worked with another assistant in transcribing the interviews for them to be scored with the psychopathy checklist. The scores would then be compared with the scores of the other assistants to evaluate rater reliability. I had about 15 participants to interview and about an equal number of women and men. Conducting the interview did bring about the lack of empathy, the tendency toward narcissism by some of the participants, and their unwillingness to accept responsibility. However, it did not provide the avenues in how to increase their level of empathy (an issue to further explore in future research).

## **OTHER SUPERVISED CLINICAL EXPERIENCE**

---

**08/2005- 05/2007**                      **Psychodynamic Therapy Lab**

I received in-depth training of the process of therapy based on psychoanalytic developmental theory and giving special attention to the concepts of transference, counter-transference and interpretation while seeing a client twice a week. I participated weekly in 1-hour individual supervision and 1-hour group supervision.

**08/2006- 12/2006**

**Marriage and Family Therapy Lab**

I received training in the practice of marital and family therapy with a special emphasis on the structural family therapy model. Application of clinical techniques was accomplished through observation, simulations, and doing therapy with at least one family case using a team model of intervention supervision. I also participated weekly in 1(1/2) hour supervised, skill development session. Sessions are videotaped for supervision purposes.

**08/2006- 12/2006**

**Principles and Practices of Case Supervision Lab**

The lab entailed understanding the components of effective supervision, exploration of current models of supervision, application of ethical principles to the supervisory process and training and practice in supervisory and consultation roles. I supervised one 2<sup>nd</sup> year doctorate students with a clinical case and worked in consultation with the case supervision lab. Sessions are recorded for evaluation purposes of the acting supervisor.

**02/2006- 05/2006**

**Psychotherapy with Child/Adolescent Lab**

I received training in intervention techniques based on Evidence-Based Psychotherapies for Children and Adolescents, practice Play Therapy with different modalities and learn how to work with abused children while conducting therapy with a child and adolescent population. I participated weekly in 1(1/2)-hour supervised and skill development session.

**02/2006- 05/2006**

**Psychotherapy with Couples Lab**

I received training in intervention techniques based on Emotional Focused Marital and Couple Therapy. I learned other intervention programs including Relationship Enhancement, Marriage Clinic and Ego Analytic approach. I participated weekly in 1-hour supervised and skill-development session.

**08/2005- 12/2005**

**Gestalt Therapy Lab**

I trained in gestalt therapy techniques from the work of Frederick S. Perls, Ervin Polster and Joseph Zinker. I worked in quartets practicing the use of the empty chair, interpreting dreams, and uncovering resistances in clients. I participated weekly in a 1-hour supervised and skill-development session.

**01/2005- 05/2005**

**Measurement & Assessment III: Projectives (Rorschach)**

I administered, scored, interpreted, prepared, and presented integrative reports on testing results and clinical interviews. Testing batteries included WAIS-III, MMPI-2, Rorschach Ink Blot Test, TAT, Folstein Mental Status Exam, MCMI-III, FSSCT, and HTP. I received weekly 1-hour group supervision.

**08/2004- 12/2004**

**Measurement & Assessment II: Personality**

I administered, scored, interpreted, prepared, and presented integrative reports on testing results and clinical interviews. Testing battery included WAIS-III, MMPI-2, TAT, Folstein Mental Status Exam, MCMI-III, FSSCT, and HTP. I received weekly 1-hour group supervision.

**08/2004- 12/2004**

**Cognitive Behavioral Therapy with Adults Lab**

I trained in cognitive behavioral therapy in the treatment of depression, anxiety and phobias. Techniques were acquired from the work of Robert L. Leahy, Stephen J. Holland, Dennis Greenberger, and Christine A. Padesky. I participated weekly in a 1-hour supervised and skill-development session.

08/2003- 12/2003

**Measurement & Assessment I: Intellectual and Developmental Testing**

I administered, scored, interpreted, prepared, and presented integrative reports on testing results and clinical interviews. Testing battery included WAIS-III, WISC-IV, WJ-III, WRAT-3, WIAT-II, PPVT-III, ADSA, and CPRS-R:L. I received weekly 1-hour group supervision.
