drteichner@charlestonneuropsychology.com**

**SUMMARY:** I am a Neuropsychologist and Clinical Psychologist. I am licensed as a Psychologist in the state of South Carolina. I am Board Certified in Clinical Psychology by the American Board of Professional Psychology, and I am a Fellow of the American Academy of Clinical Psychology. I obtained a Ph.D. in Clinical Psychology, with a specialty in Neuropsychology, from Nova Southeastern University. I completed my Clinical Psychology Internship at the Medical University of South Carolina / Ralph H. Johnson Department of Veterans Affairs Medical Center Consortium in Charleston, South Carolina. I then completed a 2-year Neuropsychology Fellowship at the Medical University of South Carolina. My current position is as Director of Charleston Neuropsychology. My speciality areas include: Neuropsychological Assessment (e.g., adults, geriatric, traumatic brain injury, Alzheimer's Disease, Dementia, other Neurocognitive Disorders), Forensic Neuropsychological / Psychological Assessment / Consultation (e.g., injury litigation, disability, workers compensation, Independent Medical Exam, competency, criminal responsibility), Psychological Assessment (e.g., ADHD, Specific Learning Disorders, personality assessment, diagnostic clarification), and Psychological Treatment (e.g., depression, anxiety disorders). I have been an Investigator on 72 Clinical Trials Studies to date examining the efficacy of various medications for ADHD, Generalized Anxiety Disorder, Tourette's Disorder, Binge Eating Disorder, Major Depressive Disorder, Bipolar Disorder, PTSD, Obsessive-Compulsive Disorder, Alzheimer's disease, and Smoking Cessation. I have written 1 book, and authored or co-authored 35 scientific articles in peer-reviewed journals and books, 23 journal abstracts, and have given 80+ presentations (posters, papers, and symposia) at national and state conferences including the National Academy of Neuropsychology, International Neuropsychological Society, American Psychological Association, and the American Academy of Behavior Therapy. I hold membership in the National Academy of Neuropsychology, American Board of Professional Psychology, and American Academy of Clinical Psychology.

### **EDUCATION / CERTIFICATION:**

***Board Certified in Clinical Psychology (#6194)*** - July, 2006, American Board of Professional Psychology.

***Licensed Clinical Psychologist (SC#800)*** - November, 2000, South Carolina Board of Examiners in Psychology.

***Fellowship in Clinical Neuropsychology*** - July 2000 - August, 2001, Department of Neurology; Medical University of South Carolina, Charleston, SC.

***Fellowship in Clinical Neuropsychology*** - August, 1999 - July, 2000, Department of Psychiatry & Behavioral Sciences, Medical University of South Carolina, Charleston, SC.

***Clinical Psychology Internship*** - 1998-1999, Medical University of South Carolina / Ralph H. Johnson Department of Veterans Affairs Medical Center Consortium, Charleston, SC.

***Ph.D. (Clinical Psychology / Neuropsychology)*** 1999, Nova Southeastern University, Ft. Lauderdale, Florida.

***Master of Science (Clinical Psychology)*** - 1995, Nova Southeastern University, Ft. Lauderdale, Florida.

***Bachelor of Arts (Honors) Psychology*** - 1992, Simon Fraser University, Vancouver, Canada.

***Associate of Arts Diploma*** - 1988, Douglas College, New Westminster, B.C., Canada.

**CLINICAL / RESEARCH POSITIONS:**

***Neuropsychologist / Director of Charleston Neuropsychology***, Mount Pleasant, SC, 2001 - present.

***Clinical Research Investigator*** - Coastal Carolina Research Center / Alcanza, North Charleston, SC, 2011 - present.

***Neuropsychologist / Clinical Psychologist Consultant*** - Ralph H. Johnson Veterans Administration Medical Center, Charleston, SC, 2008 - present.

***Neuropsychologist / Clinical Psychologist Consultant*** - Palmetto Lowcountry Behavioral Health, North Charleston, SC, 2005 - 2010.

***Neuropsychologist / Clinical Psychologist Consultant*** - Strand Regional Speciality Associates, Myrtle Beach, SC, 2001-2005.

***Clinical Assistant Professor*** - Medical University of South Carolina (MUSC), Departments of Pediatrics & Neurology, 2002 - 2004.

***Neuropsychologist / Clinical Psychologist*** - Edgewater Psychiatry, Charleston, SC, 2000 - 2001.

***Fellowship in Neuropsychology*** - Medical University of South Carolina, Departments of Neurology, Psychiatry & Behavioral Sciences, 1999-2001.

***Clinical Psychology Internship*** - Medical University of South Carolina / Ralph H. Johnson Department of Veterans Affairs Medical Center Consortium, Neuropsychology Track, 1998-1999.

**CLINICAL RESEARCH STUDIES:**

Sub-Investigator, A Phase 4, Randomized, Double-Blind, Active and Placebo-Controlled, Multicenter Study evaluating the Neuropsychiatric Safety and Efficacy of 12 weeks Varenicline tartrate 1 mg BID and Bupropion hydrochloride 150 mg BID for Smoking Cessation in Subjects with and without a history of Psychiatric Disorders.

Sub-Investigator, A Phase 2, Randomized, Double-blind, Placebo-controlled, Multicenter Study to Assess the Safety and Tolerability of SPD503 in Subjects Aged 6-17 Years with Generalized Anxiety Disorder (GAD), Separation Anxiety Disorder (SAD), or Social Phobia (SoP).

Sub-Investigator, The SPD489-343, Phase 3, Multicenter, Randomized, Double-blind, Parallel-group, Placebo-controlled, Dose-optimization Study to Evaluate the Efficacy, Safety, and Tolerability of SPD489 in Adults Aged 18-55 Years with Moderate to Severe Binge Eating Disorder.

Sub-Investigator, A Phase 3, Multicenter, Open-label, 12-month Extension Safety and Tolerability Study of SPD489 in the Treatment of Adults with Binge Eating Disorder.

Sub-Investigator, A Phase 3 Multicenter, Randomized, Double-blind, Placebo-controlled Study Evaluating the Safety and Efficacy of Fixed-dose Once-daily Oral Aripiprazole in Children and Adolescents with Tourette's Disorder.

Sub-Investigator, An Open-Label, Multicenter Study Evaluating the Safety and Tolerability of Once-daily Oral Aripiprazole in Children and Adolescents with Tourette's Disorder.

Sub-Investigator, A Phase 4, Randomized, Double-blind, Multicenter, Parallel-group, Active-controlled, Dose-optimization Safety and Efficacy Study of SPD489 (Vyvanse®) Compared with OROS-MPH (Concerta®) with a Placebo Arm, in Adolescents Aged 13-17 Years with Attention-deficit/Hyperactivity Disorder (ADHD).

Sub-Investigator, A Phase 3, Multicenter, Double-blind, Placebo-controlled, Randomized-withdrawal Study to Evaluate the Maintenance of Efficacy of SPD489 in Adults Aged 18-55 with Moderate to Severe Binge Eating.

Sub-Investigator, A Phase 3, 12-Month, Multicenter, Open-label, Flexibly-dosed, Safety Study of SEP-225289 in Adults with Attention Deficit Hyperactivity Disorder (ADHD).

Sub-Investigator, Phase 3, A Randomized, Double-Blind, Multicenter, Placebo-controlled, Parallel-group, Efficacy and Safety Study of 2 Doses of Dasotraline in Adults with Attention Deficit Hyperactivity Disorder (ADHD).

Sub-Investigator, A Randomized, Double-Blind, Placebo-Controlled, Phase 4, Relapse Prevention Study Evaluating the Efficacy and Safety of Vortioxetine (5, 10 and 20 mg) in Adults With Major Depressive Disorder.

Sub-Investigator, Phase 3, A Randomized, Double-Blind, Multicenter, Placebo-controlled, Parallel-group, Efficacy and Safety Study of 2 Doses of Dasotraline in Adults with Attention Deficit Hyperactivity Disorder (ADHD).

Sub-Investigator, Phase 3, Randomized, Double-blind, Multi-center, Placebo-controlled, Dose-Optimization, Safety and Efficacy Study of SHP465 in Children and Adolescents Ages Aged 6-17 Years with Attention-Deficit Hyperactivity Disorder (ADHD).

Sub-Investigator, Phase 3, Randomized, Double-blind, Multicenter, Placebo-controlled, Forced dose Titration, Safety and Efficacy Study of SHP465 in Adults Aged 18-55 Years with Attention-deficit /Hyperactivity Disorder (ADHD).

Sub-Investigator, Phase 2, Evaluation of SPN-812 ER Efficacy and Safety in Children with ADHD - A Double-Blind, Placebo-Controlled, Dose-Ranging Study.

Sub-Investigator, A Noninterventional Genotype/Phenotype Study of mGluR Mutations in Children and Adolescents with Attention Deficit Hyperactivity Disorder (ADHD).

Sub-Investigator, Phase 2, Open-Label Extension Study to Evaluate the Long Term Safety and Efficacy of SPN-812 ER for the Treatment of Pediatric Patients with Attention Deficit/Hyperactivity Disorder (ADHD).

Sub-Investigator, Phase 2, A Multicenter, 6-Week, Double-blind, Randomized, Placebo-Controlled, Parallel-design Study to Assess the Efficacy and Safety of NFC-1 in Adolescents (Ages 12 - 17 Years) with Genetic Disorders Impacting Metabotropic Glutamate Receptors and Attention Deficit Hyperactivity Disorder.

Sub-Investigator, Phase 3, A Randomized, Double-blind, Placebo-controlled, Multicenter Study of Rapastinel as Adjunctive Therapy in Major Depressive Disorder.

Sub-Investigator, Phase 3, A Randomized, Double-blind, Placebo-controlled, Multicenter Study of Rapastinel as Adjunctive Therapy in the Prevention of Relapse in Patients with Major Depressive Disorder.

Sub-Investigator, Phase 3, An Open-label, Long-term Safety Study of Rapastinel as Adjunctive Therapy in Patients with Major Depressive Disorder.

Sub-Investigator, Randomized, Double-Blind, Placebo Controlled, Multi-Center Registration Trial to Evaluate the Efficacy and Safety of TTP488 in Patients with Mild Alzheimer's Disease Receiving Acetylcholinesterase Inhibitors and/or Memantine.

Sub-Investigator, A Phase 3, Randomized, Double-blind, Multicenter, Parallel-group, Placebo-controlled, Dose-optimization Safety and Efficacy Study of SPD489 Compared with Placebo in Preschool Children Aged 4-5 Years with Attention-deficit/Hyperactivity Disorder.

Sub-Investigator, A Phase 3, Open-label, Multicenter, 12-Month Safety and Tolerability Study of SPD489 in Preschool Children Aged 4-5 Years Diagnosed with Attention-deficit/Hyperactivity Disorder.

Sub-Investigator, Phase III, A 12-week, Randomized, Double-blind, Parallel-group, Fixed-dose, Multicenter Study to Evaluate the Efficacy, Safety, and Tolerability of Dasotraline in Adults with Moderate to Severe Binge Eating Disorder.

Sub-Investigator, Phase III, An Open-label, Flexibly-dosed, Extension Study of Dasotraline to Evaluate Long-term Safety and Tolerability in Adults with Binge Eating Disorder.

Sub-Investigator, Phase III, Evaluation of SPN-812 ER 100 and 200 mg Efficacy and Safety in Children with ADHD - A Double-Blind, Placebo- Controlled, Pivotal Trial.

Sub-Investigator, Phase III, Evaluation of SPN-812 ER 200 and 400 mg Efficacy and Safety in Adolescents with ADHD - A Double-Blind, Placebo-Controlled, Pivotal Trial.

Sub-Investigator, Phase II, A Multicenter, 3-Part, 6-Week, Double-blind, Randomized, Placebo-controlled, Parallel-design Study to Assess the Efficacy and Safety of AEVI-001 in Children and Adolescents (Ages 6-17 Years) with Attention Deficit Hyperactivity Disorder and with or without Copy Number Variants in Specific Genes Implicated in Glutamatergic Signaling and Neuronal Activity.

Sub-Investigator, A Non-Interventional Study to Identify Children and Adolescents (Ages 6-17 Years) with Attention Deficit Hyperactivity Disorder and with or without Copy Number Variants in Specific Genes Involved in Glutamatergic Signaling and Neuronal Connectivity.

Sub-Investigator, Phase III, AR19-004: A MultiCenter, Fixed-Dose, Double-Blind, Randomized Study to Evaluate the Efficacy and Safety of AR19 (Amphetamine Sulfate) in Adult Subjects (ages 18-55) with Attention Deficit Hyperactivity Disorder (ADHD).

Sub-Investigator, Phase III, Randomized, Double-blind, MultiCenter, Placebo-controlled, Parallel-group Trial Evaluating the Efficacy, Safety, and Tolerability of Centanafadine Sustained-release Tablets in Adults with Attention-deficit/Hyperactivity Disorder.

Sub-Investigator, Phase III, An Open-label, 52-Week, MultiCenter Trial Evaluating the Long-term Safety and Tolerability of Centanafadine Sustained-Release Tablets in Adults with Attention-Deficit/Hyperactivity Disorder.

Sub-Investigator, Phase II/III, A Randomized, Double-blind, Active-controlled Trial to Assess the Efficacy and Safety of AXS-05 Administered Orally to Subjects with Treatment Resistant Major Depressive Disorder.

Sub-Investigator, Phase III, A Phase 3, Multicenter, Randomized, Double-blind, Placebo-controlled Study to Evaluate the Efficacy and Safety of Adjunctive Pimavanserin in Subjects With Major Depressive Disorder and Inadequate Response to Antidepressant Treatment

Sub-Investigator, Phase III, A 52 Week Open-Label Extension Study of Pimavanserin in Subjects with Major Depressive Disorder and Inadequate Response to Antidepressant Treatment.

Sub-Investigator, Phase III, A Randomized, Multicenter, Double-Blind, Flexibly-dosed, Efficacy and Safety Study of Escitalopram in the Treatment of Children and Adolescents With Generalized Anxiety Disorder.

Sub-Investigator, Phase III, A Phase 3, Multicenter, Randomized, Double-blind Trial of Brexpiprazole as Combination Therapy with Sertraline in the Treatment of Adults with Post-Traumatic Stress Disorder.

Sub-Investigator, Phase III, A Double-Blind, Randomized, Parallel-Group Study with Quetiapine Extended Release as Comparator to Evaluate the Efficacy and Safety of Seltorexant 20 mg as Adjunctive Therapy to Antidepressants in Adult and Elderly Patients with Major Depressive Disorder with Insomnia Symptoms Who Have Responded Inadequately to Antidepressant Therapy.

Sub-Investigator, Phase III, A Randomized, Double-Blind, Placebo-Controlled Trial of Adjunctive Troriluzole in Obsessive Compulsive Disorder.

Sub-Investigator, Phase III, A Double-Blind, Placebo-Controlled Study of Cariprazine as an Adjunct to Antidepressants in the Treatment of Patients with Major Depressive Disorder who have had an Inadequate Response to Antidepressants Alone.

Sub-Investigator, Phase III, A Phase 3, Multicenter, Randomized, Double-blind, Placebo-controlled Trial to Determine the Efficacy and Safety of Once Daily Centanafadine Capsules for the Treatment of Adolescents With Attention-deficit/Hyperactivity Disorder.

Sub-Investigator, Phase III, A Phase 3, Multicenter, Open-label, Long-term Trial Evaluating the Long-term Safety and Tolerability of Once Daily Centanafadine Capsules in Children and Adolescents with Attention-deficit/Hyperactivity Disorder.

Sub-Investigator, Phase III, Multicenter, Open-label, Long-term Trial Evaluating the Long-term Safety and Tolerability of Once Daily Centanafadine Capsules in Children and Adolescents with Attention-deficit/Hyperactivity Disorder.

A Phase 3, Multicenter, Randomized, Double-blind, Placebo-controlled Trial to Determine the Efficacy and Safety of Once Daily Centanafadine Capsules for the Treatment of Children with Attention-deficit/Hyperactivity Disorder.

Sub-Investigator, Phase III, Multicenter, Randomized, Double-Blind, Placebo-Controlled Study to Assess the Efficacy and Safety of REL-1017 Monotherapy for Major Depressive Disorder.

Sub-Investigator, A Phase 3, Multicenter, Randomized, Double-blind, Placebo-controlled Trial to Determine the Efficacy and Safety of Once Daily Centanafadine Capsules for the Treatment of Children With Attention-deficit/Hyperactivity Disorder.

Sub-Investigator, A Phase IV, Open-Label, Flexible-Dose Safety Trial Evaluating XXX Administered with Psychostimulants in Children and Adolescents (6 to 17 years of age) with Attention-Deficit/Hyperactivity Disorder (ADHD).

Sub-Investigator, A Phase II, Randomized, Double-Blind, Placebo-Controlled, Two-Arm, Parallel-Group, Multicenter Study to Evaluate the Efficacy and Safety of XXX in Adults with Post-Traumatic Stress Disorder.

Sub-Investigator, Phase III, A Phase 3, Multicenter, Randomized, Double-blind Trial of XXX as Combination Therapy with XXX in the Treatment of Adults with Post-Traumatic Stress Disorder.

Sub-Investigator, Phase III, Randomized, Double-blind, Placebo-controlled Trial of Solriamfetol in Adults with ADHD.

Sub-Investigator, A Phase III, Double-blind, Randomized, Placebo-controlled, Multi-center, Fixed dose, Parallel-group Efficacy and Safety Study with CTx-1301 in Pediatrics (6-17) with Attention-Deficit/Hyperactivity Disorder (ADHD) using CTx-1301 (dexmethylphenidate).

Sub-Investigator, A Phase 3, Dose-Optimized, Double-Blind, Randomized, Placebo-controlled, Parallel Efficacy and Safety Laboratory Classroom Study in Children (6 - 12) With Attention-Deficit/Hyperactivity Disorder (ADHD) Using CTx-1301 (Dexmethylphenidate).

Sub-Investigator, A Randomized, Double-blind, Placebo-controlled Study of Alto-100 with an Open-Label Extension in Adults with Major Depressive Disorder.

Sub-Investigator, Clinical trial to evaluate the safety and efficacy of NRCT-101SR in Adult Attention Deficit Hyperactivity Disorder.

Sub-Investigator, Open-Label Extension Study to Evaluate the Long-Term Safety and Efficacy of SPN-812 for the Treatment of Pediatric Patients with Attention Deficit/Hyperactivity Disorder (ADHD).

Sub-Investigator, Multicenter, Randomized, Double-blind, Placebo-controlled, Parallel-group, Fixed-dose Study to Evaluate the Efficacy, Safety, and Tolerability of ABBV-932 in Subjects with Depressive Episodes Associated with Bipolar I or II Disorder.

Sub-Investigator, A Phase 3, Randomized, Double-blind, Placebo-Controlled Trial of Solriamfetol in Adults with Binge Eating Disorder (BED).

Sub-Investigator, An Open-Label Study to Assess the Long-term Safety and Efficacy of Solriamfetol in Adults with Binge Eating Disorder (BED).

Sub-Investigator, A Phase 3, Randomized, Double-blind, Placebo-controlled Study to Evaluate the Effects of Oral NMRA-335140 versus Placebo in Participants with Major Depressive Disorder.

Sub-Investigator, A Multi-center Double-Blind, Randomized, Placebo-Controlled Study of the Efficacy and Safety of SP-624 in the Treatment of Adults with Major Depressive Disorder.

Sub-Investigator, A Phase 2 Randomized, Double-Blind, Placebo-Controlled Study of ABX-002 for the Adjunctive Treatment of Major Depressive Disorder.

Sub-Investigator, A Phase 2 Multicenter, Randomized, Double-blind, Placebo-controlled, Study to Evaluate the Efficacy and Safety of BHV-7000 Monotherapy in Major Depressive Disorder.

Sub-Investigator, A Phase 2 Multicenter, Open-Label Extensions Study to Assess the Long-Term Safety and Tolerability of BHV-7000 in Treatment of Major Depressive Disorder.

Sub-Investigator, Randomized, Double-blind, Multicenter, Placebo-controlled, Proof-of-Concept Study to Evaluate the Efficacy, Safety, and Tolerability of JNJ-89495120 as Monotherapy in Adult Participants with Major Depressive Disorder (MDD).

Sub-Investigator, A Randomized, Double-blind, Multicenter, Placebo-controlled Study of Adjunctive Aticaprant Plus an Antidepressant for Relapse Prevention in Major Depressive Disorder (MDD) With Moderate-to-severe Anhedonia.

Sub-Investigator, A Phase 2/3 Randomized Double-Blind Placebo Controlled Clinical Trial to Evaluate the Safety and Efficacy of NRCT-101SR in Pediatric Subjects with Attention-Deficit/Hyperactivity Disorder.

Sub-Investigator, A Phase 3, Multicenter, Randomized, Double-blind, Placebo-controlled Trial to Determine the Efficacy and Safety of Once Daily Centanafadine Capsules for the Treatment of Children (ages 4 - 5) with Attention-Deficit/Hyperactivity Disorder.

Sub-Investigator, A Phase 4, Randomized, Double-Blind, Multicenter, Placebo-Controlled, Parallel-Group Study of the Efficacy and Safety of SPN-812 in Preschool-Age Children (4 to 5 years old) with Attention-Deficit/Hyperactivity Disorder (ADHD).

Sub-Investigator, Multicenter, Randomized, Double-blind, Placebo-controlled, Parallel-group, Fixed-dose Study to Evaluate the Efficacy, Safety, and Tolerability of ABBV-932 in Subjects with Depressive Episodes Associated with Bipolar I or II Disorder.

Sub-Investigator, A Phase 3b, Randomized, Double-blind, 8-week, Placebo controlled Trial to Evaluate the Efficacy and Safety of Centanafadine Once Daily Extended-release Capsules for the Treatment of Adults with Attention Deficit/Hyperactivity Disorder and Comorbid Anxiety.

Principal-Investigator, Double-blind, Placebo-controlled, Phase IIb, Multi-center, Twelve-week Prospective Study to Evaluate the Efficacy and Safety of Gemlapodect in Adult Patients with Tourette Syndrome.

### **Paper, Poster, Symposia, & Other Presentations**

Teichner, G. (April, 2025). *Forensic Practice Issues: Subpoenas and Expert Testimony*. Symposium presentation at the South Carolina Psychological Association annual conference, Columbia, SC.

Gontkovsky, S., Kreiner, D., Ryan, J., & Teichner, G. (March, 2024). *Neuropsychological Evaluation of Alzheimer's and Neurovascular Diseases Using the WASI-II*. Poster presentation at the Southeastern Psychological Association Annual Conference, Orlando, FL.

Teichner, G. (April, 2019). *Forensic Practice Issues: Strategies for Dealing with Subpoenas, Depositions, Expert Testimony, & Other Legal Issues*. Presentation for the Palmetto Behavioral Health Continuing Education Series.

Teichner, G. (April, 2018). *ADHD - A DSM-5 Perspective: Assessment and Treatment of Children and Adolescents*. Symposium presentation at the South Carolina Psychological Association annual conference, Myrtle Beach, South Carolina.

Teichner, G., (March, 2018). *Treatment Options for Individuals Demonstrating an Attention-Deficit / Hyperactivity Disorder*. Presentation for the Palmetto Behavioral Health Continuing Education Series.

Teichner, G., (December, 2017). *Treating Children and Adolescents for ADHD*. Presentation for the Palmetto Behavioral Health Continuing Education Series.

Teichner, G., (March, 2017). *ADHD: Assessment and Treatment of Children and Adolescents*. Presentation for the Palmetto Behavioral Health Continuing Education Series.

Teichner, G., Sullivan, B., & Waid, R. (March, 2012). *Addressing Reimbursement and other Financial Issues for South Carolina Psychologists*. Symposium presentation at the South Carolina Psychological Association annual conference, Columbia, South Carolina.

Buddin, W. H., Schroeder, R. W., Teichner, G. & Waid, R. (2012, November). *Patients applying for disability versus patients already receiving disability: Is there a difference in MSVT failure rates?* Poster presentation at the 32nd annual conference of the National Academy of Neuropsychology.

Buddin, W. H., Hargrave, D. D., Schroeder, R. W., Teichner, G. & Waid, R. (2012, November). *Agreement between the Medical Symptom Validity Test and Test of Memory Malingering among mixed forensic referrals*. Poster presentation at the 32nd annual conference of the National Academy of Neuropsychology.

Buddin, H., Teichner, G., Golden, C. (November, 2009). *Individual Performances of a Spanish-Speaking Hispanic Male on the Test of Memory Malingering, Word Memory Test, and Medical Symptom Validity Test*. Poster presentation at the National Academy of Neuropsychological Annual Conference, New Orleans, LA.

Teichner, G., (March, 2008). *Neuropsychological and Psychological Assessment: A Primer for Physicians, Psychiatrists, Nurses, Therapists, and Other Mental Health Providers*. Presentation for the Palmetto Behavioral Health Continuing Education Series.

Teichner, G., & Waid, L.R. (March, 2007). *Dealing with Depositions: A primer for Psychologists*. Symposium presentation at the SCPA annual conference, Myrtle Beach, South Carolina.

Teichner, G., Waid, L.R., Buddin, W.H. (October, 2005). *The Memory and Concentration Test (MACT): Data from a sample demonstrating a range of neurological and psychiatric disorders*. Poster presentation at the NAN Annual Conference, Tampa Bay, Florida.

Teichner, G., & Waid, L.R. (April, 2005). *Detection of cognitive malingering in clinical and forensic neuropsychological assessments*. Paper presentation at the SCPA annual conference, Charleston, South Carolina.

Teichner, G., & Waid, L.R. (April, 2004). *Assessment of cognitive and psychiatric malingering*. Paper presentation at the SCPA annual conference, Myrtle Beach, South Carolina.

Teichner, G., & Wagner, M.T. (November, 2001). *Test of Memory Malingering (TOMM): Normative Data in an Elderly Sample*. Poster presented at the NAN annual conference, San Francisco, CA.

Teichner, G., Wagner, M.T., Golden, C.J., & Newman, S.A.. (November, 2000). *A Neurorehabilitation Intervention for Brain-Injured Children Exhibiting Aggression*. Poster presented at the NAN annual conference, Orlando, FL.

Teichner, G., Wagner, M.T., & Newman, S.A. (November, 2000). *Psychometric Validation and Clinical Application of the Test of Memory Malingering (TOMM)*. Poster presented at the NAN annual conference, Orlando, FL.

Teichner, G., Wagner, M.T., Bachman, D.L., Brannon, N., Hendrix, S., & Newman, S.A. (November, 2000). *A Case Study of Posterior Cortical Atrophy*. Poster presented at the NAN annual conference, Orlando, FL.

Crum, T., Golden, C.J., Teichner, G., Azrin, N.H., & Donohue, B. (November, 2000). *Treatment of cognitively impaired youth with Conduct Disorder and Substance Dependence: A controlled treatment outcome study*. Poster presented at the NAN annual conference, Orlando, FL.

Newman, S., Teichner, G., & Wagner, M.T. (November, 2000). *Clinical application of the Rey-15item Test in a Geriatric sample*. Poster presented at the NAN annual conference, Orlando, FL.

Johnson, S.A., Wagner, M.T., Pritchard, P., Topping, K., Teichner, G., & Osenbach, R.K. (November, 2000). *Neurosurgical treatment of intractable epilepsy: A case report*. Poster presented at the Medical University of South Carolina's Annual Conference, Charleston, SC

Teichner, G., Horner, M.D., Roitzsch, J., Herron, J., & Thevos, A. (November, 1999). *Substance Abuse treatment outcomes for cognitively impaired and intact outpatients*. Poster presented at the NAN annual conference, Washington, D.C..

Teichner, G., Horner, M.D., Harvey, R.T. (November, 1999). *Neuropsychological Predictors of the Attainment of Treatment Objectives in Substance Abuse Patients*. Poster presented at the NAN annual conference, Washington, D.C..

Horner, M.D., Teichner, G., & Harvey, R.T. (February, 2000). *Convergent and divergent validity of the Gordon Diagnostic System*. Poster presented at the annual North American meeting of the International Neuropsychological Society, Denver, CO.

Horner, M.D., Teichner, G., Waite, B., & Harvey, R.T. (February, 2000). *Utility and construct validity of the Babcock Story Recall Test*. Poster presented at the annual North American meeting of the International Neuropsychological Society, Denver, CO.

Wagner, M.T., Newman, S., Teichner, G., Horner, M., Bachman, D., & Tyor, W. (November, 1999). *The many faces of Pick's disease*. Poster presented at the NAN annual conference, Washington, D.C..

Teichner, G., Wagner, M.T., Bachman, D.L., Brannon, N., Hendrix, S., & Newman, S.A. (November, 2000). *Posterior Cortical Atrophy*. Poster presented at the Medical University of South Carolina's Annual Conference, Charleston, SC

Teichner, G., Crum, T.A., Golden, C.J., Azrin, N.H., Donohue, B., & Van Hasselt, V.B. (November, 1998). *Patterns of neuropsychological functioning in a sample of conduct disordered youth*. Poster presented at the NAN annual conference, Washington, D.C..

Teichner, G., Crum, T.A., Bradley, J.D., & Golden, C.J. (August, 1998). *Investigating first-trial learning and the learning slopes of Brain-injured and Normal subjects using the Luria-Nebraska Neuropsychological Battery-III*. Poster presentation at the APA Annual Conference, San Francisco, CA.

Teichner, G., Crum, T.A., Donohue, B., Golden, C.J., Azrin, N.H., Lawson, H., & Jalazo, M. (November, 1998). *Relating adolescent substance use to neuropsychological functioning: Implications for prevention and intervention strategies*. Poster presentation at the AABT annual conference, Washington, D.C.

Teichner, G., Golden, C.J., Crum, T., & Azrin, N.H. (April, 1999). *The neuropsychology of juvenile delinquency*. Poster presentation at the South Carolina Psychological Association's Annual Conference, Myrtle Beach, S.C.

Teichner, G., Horner, M.D., Harvey, R.T. (April, 1999). *Neuropsychological predictors of the attainment of treatment objectives in substance abuse patients*. Poster presentation at the South Carolina Psychological Association's Annual Conference, Myrtle Beach, S.C.

Teichner, G. (June, 1998). *The neuropathology of alcohol abuse and alcohol related disorders*. Poster presentation at the Florida Psychological Association's Annual Conference, Key West, FL.

Teichner, G., Golden, C.J., Crum, T.A., & Bradley, J. (1997, November). *A reliability and validity analysis of the Luria-Nebraska Neuropsychological Battery-III*. Poster presentation at the NAN annual conference, Las Vegas.

Teichner, G., Azrin, N.H., Donohue, B., Rodriguez, D., Burguard, J., Jalazo, M., & Toribio, E. (November, 1998). *Decreasing drug use in adolescent substance abusers: What behavioral interventions do these youth think will decrease their use?* Poster presentation at the AABT annual conference, Washington, D.C.

Teichner, G., Azrin, N.H., Donohue, B., Howell, J., Rindsberg, J., Decato, L., & Ward, J. (November, 1998). *Psychometric evaluation of the life satisfaction scale in a population of conduct disordered and drug abusing youth*. Poster presentation at the AABT annual conference, Washington, D.C.

Teichner, G., Golden, C.J., Crum, T.A., Bradley, J.D., Donohue, B., Azrin, N.H., & Van Hasselt, V.B. (November, 1998). *Neuropsychological Impairment in Conduct Disordered Adolescents*. Paper presentation (Special Interest Group) given at the NAN annual conference, Washington, D.C.

Teichner, G., Golden, C.J., & Weiss, D. (1997, November). *Cognitive-behavioral treatment of aggression, hyperactivity, and non-compliance in a severely brain damaged adolescent girl*. Poster presentation at the American Academy for Behavior Therapy Annual Conference, Miami, FL.

Teichner, G., Brymer, M., Golden, C.J., Van Hasselt, V., Peterson, A. (1997, November). *Behavior therapy for brain injured male batterers*. Poster presentation at the American Academy for Behavior Therapy Annual Conference, Miami, FL.

Crum, T.A., Teichner, G., Bradley, J.D., & Golden, C.J. (November, 1998). *The clinical scales of the Luria Nebraska Neuropsychological Battery - III*. Paper presentation (Special Interest Group) given at the NAN annual conference, Washington, D.C.

Bradley, J.D., Teichner, G., Crum, T.A., & Golden, C.J. (November, 1998). *Assessing memory functions with the Luria Nebraska Neuropsychological Battery - III*. Paper presentation (Special Interest Group) given at the NAN annual conference, Washington, D.C.

Teichner, G., Azrin, N.H., Crum, T., Donohue, B., Scotilla, S., Ganzekaufer, A., & Cataudella, D. (1998, October). *Evaluating the short and long term effects of substance use on adolescent problem solving abilities*. Poster presented at the 18<sup>th</sup> Annual Conference for the Florida Association for Behavioral Analysis, Daytona Beach, FL.

Teichner, G., Manno, A., Crum, T., Golden, C., Azrin, N., Bradley, J., & Donohue, B. (1998, April) *Neuropsychological Correlates of Adolescents' Acute- and Long-Term Use of Illicit Drugs and Alcohol*. Poster presentation at the 1<sup>st</sup> Annual Assessment Conference, Orlando, FL.

Teichner, G., Lawson, H., Azrin, N.H., Baker, K., Shimoni, O., & Donohue, B. (1998, April). *The Relation of Adolescent Life Satisfaction to Self- and Other- Reports of Problem Behavior, Depression, Drug Use, and Alcohol Consumption*. Poster presentation at the 1<sup>st</sup> Annual Assessment Conference, Orlando, FL.

Donohue, B., Teichner, G., Azrin, N.H., Shimoni, O., Ward, J., Ganzekaufer, A., & Widdowson, M. (November, 1998). *Measuring illicit substance use: Comparison of several standardized methods*. Poster presentation at the AABT annual conference, Washington, D.C.

Waite, B., Horner, M.D., Teichner, G., & Harvey, R.T. (April, 1999). *Reliability and validity of the Gordon Diagnostic System using in a sample of substance abusing patients*. Poster presentation at the South Carolina Psychological Association's Annual Conference, Myrtle Beach, S.C.

Freshwater, S., Teichner, G., & Golden, C.J. (November, 1998). *Scoring Methodology: Demographic Corrections in neuropsychological assessment*. Poster presented at the NAN annual conference.

Teichner, G., Rodriguez, D., Azrin, N.H., Donohue, B., DeCato, L. (June, 1998). *Parent vs. Youth Reports of Illicit Substance Use and Dependence*. Poster presentation at the Florida Psychological Association's Annual Conference, Key West, FL.

Crum, T.A., Teichner, G., Golden, C.J., & Bradley, J. (August, 1998). *An analysis of the concurrent validity of the Luria Nebraska Neuropsychological Battery-III*. Poster presentation at the APA Annual Conference, San Francisco, CA.

Crum, T.A., Bradley, J., Teichner, G., & Golden, C.J. (1997, November). *Analysis of the general intelligence subtest of the Luria-Nebraska Neuropsychological Battery-III*. Poster presentation at the NAN annual conference, Las Vegas.

Teichner, G., Rodriguez, D., Azrin, N.H., Mallack, L., Cataudella, D., Lawson, H., & Donohue, B. (1998, October). *The relationship of illicit substance abuse and problem-solving Skill Deficits in Adolescence*. Poster presented at the 18<sup>th</sup> Annual Conference for the Florida Association for Behavioral Analysis, Daytona Beach, FL.

Teichner, G., Crum, T., Azrin, N.H., Howell, J., Rodriguez, D., Burgard, J., & Donohue, B. (1998, October). *The relationship of illicit drug use and behavioral functioning*. Poster presented at the 18<sup>th</sup> Annual Conference for the Florida Association for Behavioral Analysis, Daytona Beach, FL.

Teichner, G., Crum, T., Azrin, N.H., Howell, J., Rodriguez, D., Burgard, J., & Donohue, B. (1998, October). *The relationship of illicit drug use and behavioral functioning*. Poster presented at the 18<sup>th</sup> Annual Conference for the Florida Association for Behavioral Analysis, Daytona Beach, FL.

Crum, T.A., Teichner, G., Azrin, N.H., Donohue, B., & Lawson, H. (June, 1998). *A life satisfaction evaluation of dually diagnosed adolescents*. Poster presentation at the Florida Psychological Association's Annual Conference, Key West, FL.

Miller, E.R., Van Hasselt, V.B., Golden, C.J., Teichner, G., & Weiss, D. (June, 1998). *Neuropsychological Impairment in battered women*. Poster presentation at the Florida Psychological Association's Annual Conference, Key West, FL.

Rindsberg, J., Teichner, G., Azrin, N.H., Donohue, B. (June, 1988). *Primary and Secondary caregivers' satisfaction with their dually-diagnosed adolescent*. Poster presentation at the Florida Psychological Association's Annual Conference, Key West, FL.

Burghard, J., Azrin, N.H., Donohue, B., & Teichner, G. (1998, June). *Substance abuse in mentally retarded and learning disabled populations*. Poster presented at the Annual Conference of the Florida Psychological Association, Key West, FL.

Donohue, B., DeCato, L., Azrin, N.H., Teichner, G., Rodriguez, D., Ward, J., & Rindsberg, J. (1998, October). *Reliability and validity of the Youth Satisfaction Scale - II: A measure of relationship satisfaction for conduct disordered and substance abusing youth*. Poster presented at the 18th Annual Conference for the Florida Association for Behavioral Analysis, Daytona Beach, FL.

Donohue, B., DeCato, L., Azrin, N.H., Teichner, G., Manno, A., Mallack, L., & Widdowson, M. (1998, October). *Reliability and validity of the Parent Satisfaction Scale - II: A measure of relationship satisfaction for parents of conduct disordered and substance abusing youth*. Poster presented at the 18th Annual Conference for the Florida Association for Behavioral Analysis, Daytona Beach, FL.

Azrin, N.H., Donohue, B., DeCato, L., Teichner, G., Howell, J., Scotilla, S., & Almendares, S. (1998, October). *Conduct disordered and substance abusing adolescents and their parents: Who's more dissatisfied in the relationship?* Poster presented at the 18th Annual Conference for the Florida Association for Behavioral Analysis, Daytona Beach, FL.

Teichner, G., Howell, J., Azrin, N.H., Crum, T., Burgard, J., Rindsberg, J., & Donohue, B. (1998, October). *The relationship of problem-solving skills and behavior problems in conduct-disordered and substance abusing youth*. Poster presented at the Florida Association for Behavioral Analysis, Daytona Beach, FL.

Donohue, B., Azrin, N.H., Rindsberg, J., Ward, J., Teichner, G., Mallack, L., & Scotilla, S. (1998, October). *Improving initial session attendance in a population of substance abusing and conduct disordered adolescents: A controlled study*. Poster presented at the 18th Annual Conference for the Florida Association for Behavioral Analysis, Daytona Beach, FL.

Teichner, G., Donohue, B., Stevens, R., Azrin, N., Lawson, H., Hernandez, J., & Rindsberg, J. (1998, April). *Development of the Life Satisfaction Questionnaire Using a Dually-Diagnosed Adolescent Sample*. Poster presentation at the 1st Annual Assessment Conference, Orlando, FL.

Azrin, N.H., Donohue, B., DeCato, L., Teichner, G., Howell, J., Crum, T., & Rodriguez, D. (1998, April). *Initial Reliability of the Youth Satisfaction Scale-II in a Population of Conduct-Disordered and Substance Abusing Youth*. Poster presentation at the 1st Annual Assessment Conference, Orlando, FL.

Azrin, N.H., Donohue, B., DeCato, L., Teichner, G., Burgard, J., Ward, J., & Rindsberg, J. (1998, April). *Initial Reliability and Validity of the Parent Satisfaction Scale (II) in a Population of Conduct-Disordered and Substance Abusing Youth*. Poster presentation at the 1st Annual Assessment Conference, Orlando, FL.

Freshwater, S., & Teichner, G. (1998, April). *The use of age and education corrected T-scores in the interpretation of the Luria Nebraska Neuropsychological Battery - III*. Poster presentation at the 1st Annual Assessment Conference, Orlando, FL.
